

# GRAYTEK – HOME INTEGRATION OPTIONS

THESE ARE SOME OF THE HOME INTEGRATION OPTIONS THAT GRAYTEK CAN PROVIDE FOR YOU. THEY WILL ALLOW YOU TO CONTROL YOUR HOME EITHER FROM WITHIN, OR REMOTELY FROM ANYWHERE IN THE WORLD:

## MOTORIZED SHADES AND DRAPES

- Open and close groups or individually from a keypad or at preset times
- Reduce heat gain
- Protect furniture and art work from UV rays
- Ensure privacy

## SECURITY

- View CCTV cameras
- Check if windows or doors are open
- Control the alarm system
- Receive a detailed email if an alarm is triggered

## LIGHTING

- Turn the lights on to preset scenes with one button
- Reduce wall clutter of switches and dimmers
- Have indoor and outdoor lights on a preset schedule when travelling, to make it look like you are home

## HEATING AND COOLING

- Check room or outside temperatures
- Adjust individual room temperature

## HOME THEATRE OR MEDIA ROOM

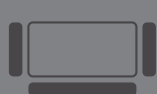

- Dedicated home theatre with projector, screen, surround audio and seating
- Media room with large TV screen, surround audio and video sources

## AUDIO

- Whole house or individual rooms controlled from a touchpanel, keypad or apple products
- Listen to an iTunes library, XM satellite radio or online radio stations

your home your way  
entertainment : safety : comfort

## VIDEO

- Whole house or individual rooms
- Watch TV, movies, Apple TV or streaming video on any TV in the home
- A single remote at each TV with one button control that is easy and reliable to use

## INTERNET

- Fast and reliable
- Wireless throughout the home and property
- Wired connections in the home

## APPLE PRODUCT INTEGRATION

- Use iPads and iPhones to control individual rooms or the entire home
- Use iPads and iPhones to control the home from anywhere

# GRAYTEK ALSO PROVIDES YOU EXCELLENT SOLUTIONS FOR THE FOLLOWING:

## POWER PROTECTION

- Key equipment can be protected from power surges, spikes or brown outs
- For important equipment, remote power cycling is provided

## ENERGY MONITORING

- Varied levels of monitoring for electricity, water and gas depending on the needs of the homeowner

## SERVICE

- Designed systems allow Graytek to make changes remotely, reducing on-site service calls

## WARRANTY

- Customized warranty solutions are included
